

Translators Resource List

Translators do **NOT** have to be on this list to be acceptable, but they must be a community, government agency, attorney, college, university, or TRANSLATION-RELATED BUSINESS. Translators are **NOT** certified by the Michigan Department of State. Translators must follow the procedures on the back of the **DE-40 form** (original letterhead stationary, address of agency, etc.) when providing acceptable translated documents. Translations do **NOT** need to be notarized.

The agencies listed below may charge a fee for translating documents. Please ask the agency for any fees you may be expected to pay.

Note: An organization or individual not on this list may provide translations if they meet the above requirements. The agencies and information supplied on this list are subject to change without notice. Please check the yellow pages of your local telephone directory under "Translations" or "Translators" for other resources that may be available in your area. Translation services may also be available from local community agencies, attorneys, and government agencies.
